

Wine Country Inn Spa Services

We offer a variety of limited spa services to our guests at the Wine Country Inn. As we do not have full spa facilities our therapists are not based at the hotel; they come to the hotel just for you. Our carefully chosen therapists are some of the best in the area and will provide you with a relaxing and refreshing experience.

The therapists are skilled in a variety of treatments such as Swedish, Therapeutic, Deep Tissue, Reflexology, Injury Prevention & Recovery, Pain Management, and Pregnancy Massage.
